

INDIA'S MEDTECH CAREER ACCELERATOR

Upskill today. Upscale *tomorrow.*

Industry-ready MedTech education built for students and professionals who want successful careers in the MedTech industry.

90 days to job-ready

WHY MEDSKILLS CATALYST

01

Industry-led curriculum

Shaped with MedTech leaders, not textbooks.

02

Medical device expertise

Class A–D devices, from OR to procurement.

03

Sales excellence

Consultative, multi-stakeholder selling.

04

Real-world case studies

Deals and decisions drawn from the field.

05

Career readiness

Interview-ready, with evidence to show.

06

Expert mentorship

Guided by people who've done the job.

ABOUT THE PROGRAM

We bridge the gap between academic learning and *real-world MedTech careers.*

A structured route from the classroom to the hospital floor — taught by the people who hire, sell, and lead in the medical device industry.
